Old Business

Storyboards are here, Kevin will install as soon as he has time.

ID stakes for garden plants are still being worked on.

Wayne from Ute has info on a grant he is supposed to be getting for us. Also, the Ute (city of Rifle) owes us a pretty good chunk of money.

The alarm is still giving us fits... We need to find out "How long the backup battery lasts" as central said it was low.. after a 45 min power outage. (Sam said it should last for about 24 hrs.)When we have problems we need to call Sam (970-989-5346) w/ the testing team at acmealarm.com.... Also, the distance between the door and the jam. (1/4") Cecil

& Kevin will check zone 6 to see if they can find anything that would cause the problem.

New Business

Kathy and Shirley redid the Rifle Year books, to accommodate more files for pictures.

Our “Voices in the Darkness” program for this fall has established a committee, Kathy, Betty, Myrna & Shirley. We will have our first meeting on Aug. 4th at 10am at the museum.

Alan brought in a magazine on “Ditches & Water Rights” that we probably need to put in a 3 ring binder.

At 6: 49pm Cecil made a motion to adjourn, Shirley 2nd & motion carried.
